

The Church of Scotland
Rural Working Group and
Sanctuary First bring you a
free conference to help you
step into the 21 Century

What's the Digital Footprint of your church?

Communicating the Gospel in Today's World

Saturday 4th of August. 10.30am-4pm

Inverurie West Church - Acorn Centre

This one day conference looks at your church's Digital Footprint. The conference has been designed to help you communicate the Gospel in today's world.

Hosted by the Rural Working Group and facilitated by Sanctuary First the day will take you through the basics of having a web presence right through to how to live stream your service or other content.

The Very Rev Albert Bogle will lead his team from Sanctuary First helping you to use digital technology and social media to refresh, reengage and recommit.

The Rural Working Group will also be sharing their suite of new resources including tips for streamlining governance and working with the General Trustees.

The conference is free but a donation for your lunch would be appreciated.
