Join us for our first ever Sports Equip, where we take a look at how we, as the local church, can connect with our communities through sports. With Keynote Speaker, Mark Fleming (Sports Chaplaincy UK) and a variety of workshops to choose from, we hope you find the day encouraging and inspiring.

Workshops

Hands-on Sports (with Rob Rawson)

Learn how to run a variety of quick and simple games for any number of people, using traditional indoor sports such as table tennis, pool, and a more recent favourite, Unihock.

Be prepared to have a go – it's better felt than telt!

Recognising & Developing a Sports Parish (with Neil Urquhart)

Proving that God is into sport and loves people who do sport - encouraging Christians to be salt & light in sport and leaders in finding new and imaginative sporting opportunities. Helping people learn life skills and take steps closer to Jesus through sport.

Get the Ball Rolling (with Robbie Morrison)

Come along and share what your church has done with Sports in your community, hear from a number of people across the country about what they have been doing, and be part of a brainstorming session. This will then be turned into a resource for churches!

Christians in Sport (Kirsten Ross)

There are hundreds of sports clubs and teams in Scotland and the need for the gospel to be taken to them remains great. This work shop will give you the opportunity to consider how you and others from your church can engage with those sports clubs and communities and share the good news of Jesus in both actions and words.
